## DON'T GET OVERHEATED BY I-15 SOUTH CONSTRUCTION!

Cool off with a snowcone and  
other refreshments

Try your luck at dunking the  
contractor or UDOT in the  
I-15 South dunk tank

Kids, check out the big trucks and  
have your photo taken in one

Join us in  
celebrating  
the half-way  
milestone for  
this project

UDOT and Geneva Rock,  
contractor for I-15  
South, invites you and  
your family to celebrate  
this milestone.

Here's your chance to  
discover how a freeway is  
built, find out what those  
guys in orange vests and  
hard hats are doing, and  
learn how we can all stay  
safe in the work zone.

50 YEARS of ROCK!
